

Fundraising Winners

Word from the Club

On half of the club, we would like to say thank you to all the members whose contributions help make all this possible.

Through your contributions, we were able to purchase our club flag that hangs at every game, even making it to Old Trafford in November of '10.

The funds help keep the website going which has had an incredible amount of hits from all over the world. Our website also helps us gain more members and display the energy that is RTD.

We are able to travel to television and radio interviews to help promote the club.

Finally, we use the funds to purchase quality and unique Manchester United merchandise to raffle off.

You make this all possible and we thank you.
